Walmart Delivery

Grocery Delivery

To have your groceries delivered, please place your order online at Walmart.com. Once you have completed your order online, you will be provided with a confirmation email.

Forward that email to GadsdenGroceries@gmail.com. Then, select the grocery delivery fee below and proceed to check out. The address provided in your GadsdenToGo account should be the same address you wish to have your groceries delivered to. Please note that there is a one hour window of pick up time for all Walmart grocery pick ups. Your order will be picked up somewhere within that hour and delivered accordingly.

Grocery Delivery \$10.00

We are not affiliated with Walmart or Walmart.com. We are a marketing service that facilitates pick up and delivery, on behalf of you the customer.
